

"An Illinois Tool Works company" **ITW**

Packaging compliance declaration – Heavy metals and PFAS

Declaration of compliance with EU Packaging and Packaging Waste Regulation (PPWR)

We hereby declare that the packaging materials and packaging components supplied by **Stokvis Nordic AB** comply with the applicable substance requirements of Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR).

Heavy Metals

We confirm that the sum concentration of the following heavy metals in the packaging and packaging components does not exceed **100 mg/kg (ppm)**:

- Lead (Pb)
- Cadmium (Cd)
- Mercury (Hg)
- Hexavalent Chromium (Cr VI)

PFAS

We further declare that the packaging materials supplied by **Stokvis Nordic AB** are **free from intentionally added per- and polyfluoroalkyl substances (PFAS)**.

Based on information received from our raw material suppliers, material specifications, and our compliance assessment procedures, no PFAS have been intentionally introduced during the manufacture of the packaging materials

Compliance Management

Our company maintains procedures for monitoring regulatory compliance, including supplier assessments, material declarations, and periodic review of relevant legislation to ensure continued conformity with applicable PPWR requirements.

Validity

This declaration remains valid unless changes occur in the materials, manufacturing processes, applicable legislation, or information received from upstream suppliers that may affect compliance.

This declaration is issued in good faith and is based on information obtained from our suppliers, material specifications, manufacturing controls, and available technical documentation. The information is believed to be accurate at the date of issue. However, no warranty is expressed or implied beyond the requirements of applicable legislation.
